Policies

M Food & Culture accepts liability for errors or omissions in advertising copy prepared by M Food & Culture, limited to the effect the error or omission has on the entire advertisement. If the effectiveness of an ad is substantially reduced by M Food & Culture's error, M Food & Culture will credit future advertising accordingly. Notice of any errors must be received before the publication of the next issue.

M Food & Culture accepts no responsibility for errors in ads submitted camera-ready, ads submitted past the published deadlines or ads for which proofs have been approved by the advertiser or the advertiser's agent, or when the copy or art is incomplete, incorrect or indecipherable when submitted to M Food & Culture.

If an advertiser cancels a contract prior to fulfillment, charges for all of the insertions that have been published at the contract price will be re-calculated at the actual rate earned, and the advertiser will be billed for the difference between the two amounts.
